

Velvet Underground - Sister Ray

Tom: **C**

Tabbed by: Gallagher2006

Tuning: Standard

I've only tabbed the essentials of this jam session...

This is the main part of the song, and is repeated lots.
A bridge section uses the **G** just hammered for a little bit...

For the rest of the song just improv in **G** and play the chords **G**

I think the scale being used is the mixolydian in G...

So, this scale...

Enjoy!
