

Velvet Underground - The Black Angel's Death Song

```
Tom: C
                                                                                                                                                                                    {D}{Em}{Em}
                                                                                                                                                                                                                                       (- Rally Man's patter ran on ...)
                                                                                                                                                                                                                                               (- skull, Shrill -)
(- yell, Shining -)
                                                                                                                                                                                    \{E\}\{E\}
                           The myriad choices of his fate
                                                                                                                                                                                    {D}{D}
                    set themselves out upon a plate for him to choose
                    What had he to lose
                                                                                                                                                                                    {D}{Em}{Em}{Em}
                                                                                                                                                                                                                                  (- brightly, red-rimmed and ...)
                                                                                                                                                                                                                                                (- chunks, From the -)
                                                                                                                                                                                    {E}{E}
                    Not a ghost-bloodied country all covered with sleep
                                                                                                                                                                                                                                                 (- bells)
                                                                                                                                                                                    {D}{D}
                    where the black angel did weep
                                                                                                                                                                                                                                                 (shhhhhhhhhhhhhhh..)
                    not an old city street in the east
                                                                                                                                                                                     {D}{D}{Em}{Em}
                    Gone to choose
                                                                                                                                                                                     {E}{E}{D}{D}
                                                                                                                                                                                    {D}{D}
                    And wandering's brother walked on through the night
                                                                                                                                                                                                                                      (- mouth bleeding razors forget
                    with his hair, in his face
                                                                                                                                                                                    {D}{Em}{Em}
                    long a long splintered cut from the knife
                                                                                                                                                                . . . )
                                                                                                                                                                                                                                                 (- goodbye, So you -)
                                                                                                                                                                                     {E}{E}
                                                                                                                                                                                                                                            (- fly to the cozy brown snow
                                                                                                                                                                                    {D}{Em}{E}{E}
                    The Rally Man's patter ran on through the dawn
                                                                                                                                                                ...)
                    Until we said so long to his skull
                                                                                                                                                                                    \{D\}\{D\}\{D\}
                                                                                                                                                                                                                                                 (- choose, choose again)
                    Shrill yell
                                                                                                                                                                                    {D}{D}{D}{D}
                                                                                                                                                                                                                                                 (shhhhhhhhhhhhhhhh..)
                    Shining brightly, red-rimmed and red-lined with the
                                                                                                                                                                                                                                  (Sacrificials remains make it ...)
time
                                                                                                                                                                                    {D}{Em}{Em}{Em}
                                                                                                                                                                                                                                                 (- realize pain, Choose -)
                    effused with the choice
                                                                                                                                                                                     {E}{E}
                    of the mind on ice skates scraping chunks
                                                                                                                                                                                    {D}{D}
                                                                                                                                                                                                                                                  (- again, And -)
                    From the bells
                                                                                                                                                                                    {D}{Em}{Em}{Em}
                                                                                                                                                                                                                                  (- Roberman's refrain of the ...)
                    Cut mouth bleeding razors forget in the pain
