Velvet Underground - Venus In Furs

Tom: G

```
        Shiny shiny, shiny boots of leather
whiplash girlchild in the dark
Comes in bells, your servant, don't forsake him
strike dear mistress and cure his heart

Downy sins of streetlight fancies
chase the costumes she shall wear
Ermine furs adorn imperious
Severin, Severin awaits you there

I am tired, I am weary
I could sleep for a thousand years
A thousand dreams that would awake me
    different colors made of tears

Kiss the boot of shiny shiny leather
shiny leather in the dark
Tongue of thongs, the belt that does await you
strike dear mistress and cure his heart

Severin, Severin, speak so slightly
Severin, down on your bended knee
Taste the whip, in love not given lightly
taste the whip, now bleed for me

I am tired, I am weary
I could sleep for a thousand years
A thousand dreams that would awake me
    different colors made of tears

Shiny shiny, shiny boots of leather
whiplash girlchild in the dark
Severin your servant, comes in bells
please don't forsake him
strike dear mistress and cure his heart
