

Verônica e o Boné Azul - Piece Of Glass

tom:
Intro: C C

She had green eyes, rare thing
She was afraid, like me

There we go again!

She was like a piece of glass
Like a rag doll full of patches
I swear, I tried to say
But whoever breaks a piece of glass
Ends up cutting himself

Without listening
Without speaking
I took your side
And when it was too much for me
The mistake was mine

Sister, I'm not iron
I also want to cry
But what pain is greater than yours
When you tell me you're not fine?
Sister, I'm not iron
I also want to cry
But what pain is greater than yours
When you tell me you're not fine?

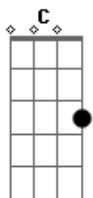

You don't know
How much I swallowed
Don't tell me I don't understand

I have lived
I prayed for you
I lost sleep
It was my choice and
I just regret never raising my voice

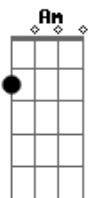

Sister, I'm not iron
I also want to cry
But what pain is greater than yours
When you tell me you're not fine?
Sister, I'm not iron
I also want to cry
But what pain is greater than yours
When you tell me you're not fine?
So, yeah
You were wrong
And say what you want
I got tired of this game
It's always the same
Something makes me feel like a great idiot

Sister, I'm not iron
I also want to cry
But what pain is greater than yours
When you tell me you're not fine?
Sister, I'm not iron
I also want to cry
But what pain is greater than yours
When you tell me you're not fine?
