

Victor Silva - Hold On

tom:

^D
It should be easy, do you want to talk to me?
^C
Everything is here, I know it
^D
Anywhere else love is gone to change
^C
I see everything and once more way

^D
Well today, I have anyway
^C
What just say to hear
^D
Going blind, still I gone away
^C
How I have to say to goodbye?

^D
Jesus tell me, do you agree with anything?
^B
Give me your holy climb and I'll disappear

^D And I'm saved, so I'll always be
^B Jesus help me, this is my life here

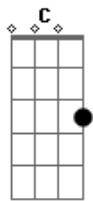

^D My remission, just a moment of the day
^C I can ask for a prayer to heaven
^D Just illusion, I know my enemies
^C I remember nothing being for anything

^D Jesus tell me, do you agree with anything?
^B Give me your holy climb and I'll disappear
^D And I'm saved, so I'll always be
^B Jesus help me, this is my life here
^C And I hold on, I'm not leaving here
^C And I hold on, I'm not leaving here
