Tom: G

Intro: D Db4 C G Gm7 A Em D G

A
 Quando você nasceu Eu estava lá
 Para te abraçar Meu filho
 A primeira vez que você sorriu
 Eu sorri também Meu filho

B Gb Am
 Porque você não Me olha
 Porque você não se importa
 Estou de braços abertos
 Braços abertos lá fora

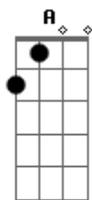

D Db4 C G
 Eu Me lembro de cada gota
 Que caiu do seu rosto Meu filho

D Db4 C G
 Antes mesmo de nascer
 Eu já contava a sua história Meu filho

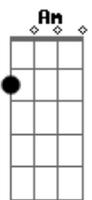

B Gb Am
 Porque você não Me enxerga
 Porque você não se entrega
 Tudo que Eu quero
 Fique de portas abertas

D Db4 C G
 Fala Comigo quero ser
 Seu melhor amigo por inteiro
 E no seu último dia
 Me Lembrarei do primeiro
 Quando chorou
 E Eu te amei por inteiro
