

Victoria Papalia - Espírito Santo

tom:

Intro: G C C E C G

Espírito Santo, és bem vindo aqui

A Tua Presença quero sentir

Vamos entoar um novo som

Que faz o Céu descer

Chove lá fora essa canção

De um novo som

Que vem do Céu

Um novo tempo aqui chegou

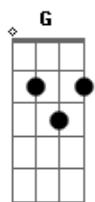

Do derramar do Teu Espírito

Então vem

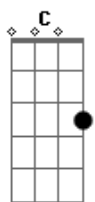

Espírito Santo

Inunda o meu ser

Oh, Oh, Oh, Oh

Hoje eu entrego minha vida à Ti

Se a Tua Presença for eu quero ir

Quero levar o Peso da Tua Glória

Por onde eu passar

Por onde eu passar
