

# Victorino Silva - Olhando o Céu

tom:

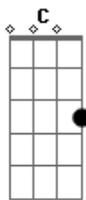

Intro: F C

Olhando o céu  
 O imenso azul  
 Vindas do sul  
 Vejo passando  
 Peregrinas nuvens flutuantes  
 A brincar talvez

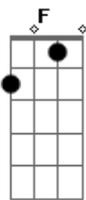

Vindas de além  
 À beira-mar  
 Vejo chegar  
 Ondas quebrando

E num véu de espumas cintilantes  
 Vêm beijar-me os pés  
 O tempo, a terra, o mar e os céus  
 Aos poucos passarão  
 Mas as palavras do Senhor, jamais se apagarão  
 E olhando o céu  
 De algum lugar  
 Fico a pensar  
 Naquele dia  
 Quando sobre nuvens flutuantes  
 Meu Jesus voltar
