

Villagers - Dawning On Me

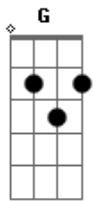

Tom: **G**

Intro: **Em D Bm C**

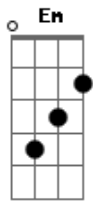

I've been awake for so long now
Bm Just can't get to sleep
 You've been tugging at my eyelids
Bm You've been dawning on me
 And there's a light coming through the window
Bm But i all can see
 Is the light of your love
 You've been dawning
B7 Dawning on me
 I've been awake for so long now
Bm Just can't get to sleep (dawning on me)
 You've been calling on the sunlight
Bm You've been dawning on me

From your lips, to your belly
 To your knees and your feet (dawning on me)
 And the spirit that moves them
 You've been dawning
 Dawning on me
 you've been dawning on me
 I've been awake for so long now
Bm Just can't get to sleep (dawning on me)
 You've been delivering the daydream
Bm You've been dawning on me
 And there's a light coming through the window
Bm But all i can see (dawning on me)
 Is the light of your love
 You've been dawning, dawning on me
