[Primeira Parte]
Thought it was staying up 'til the morning sun
Letting my mind run on and on
'Bout what it was that made ya give us up
Go looking for the greener side of the lawn
Thought it was drowning whiskey
And you steady missin? my calls
But damn if walking in here tonight
Didn?t just proved me wrong
[Refrão]
          Am
Hell is a dance floor watching a red dress
Spin around with someone new
And my hearts for damn sure breaking in my chest
Watching him fall for you
Part of me wants to leave this place
But I can?t get the other half to look away
