Above All Others

Lord, your glory fills my heart
 Your presence deep within me stirs my soul.
 Oh Lord, how awesome are your ways.
 Your majesty surrounding all the earth.
 All wisdom and honor and glory forever.
 All power and greatness and splendor

they are yours above all others, my Lord.

Lord, your Spirit moves me now.
 And I see a picture of your holiness.
 Oh Lord, I look into your eyes
 and feel a fire burn into my heart.
 All wisdom and honor and glory forever.
 All power and greatness and splendor
 they are yours above all others, my Lord.
