

Vinicius de Moraes - A Formiga

tom:

Am

Am

Dm

As coisas devem ser bem grandes

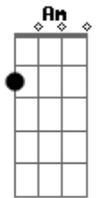

Pra formiga pequenina

A rosa, um lindo palácio

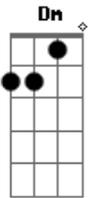

E o espinho, uma espada fina

A gota d'água, um manso lago

O pingo de chuva, um mar

Onde um pauzinho boiando

É navio a navegar

O bico de pão, o corcovado

O grilo, um rinoceronte

Uns grãos de sal derramados

Ovelhinhas pelo monte
