

# Vinícius Galant - I'm Losing It (To a Fool Like You)

Tom: **Db**

m **Dbm**  
 I?m not nervous  
 I just want to know  
**Dbm**  
 What you?re up to  
 What you really mean  
**A**  
 I?m not wicked  
 I?m just trying to see  
**A**  
 Through your wild looks  
 And songs of victory

**Gbm** **Abm**  
 You only wanna win my love  
**A** **Abm**  
 Will you lay you weary head in my window pane  
**Gbm** **Abm**  
 Running over everything you were  
**A** **E**  
 Easy babe easy babe you?re only insane

I?m losing **B**  
 I?m losing it **E**  
**A** **A** **E**  
 To a fool like you

**B** **E**  
 Come and waste it, to the very end  
**A** **A** **E**  
 End of me and you  
**B** **B7** **E**  
 I?m losing, I?m losing it

**Dbm**  
 You hold me steady  
 Feel it growing on your guts  
**Dbm**

Hit me baby  
 You know I?ve been waiting for  
**A**  
 The day you're moving  
**D** **A**  
 Moving on to nowhere at all  
**A**  
 When you hold me back  
 Like you?ll never let me go  
 I?m running out the door

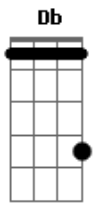

**Gbm** **Abm**  
 You only wanna win my love  
**A** **Abm**  
 Will you lay you weary head in my window pane  
**Gbm** **Abm**  
 Running over everything you were  
**A** **E**  
 Easy babe easy babe you?re only insane

I?m losing **B**  
 I?m losing it **E**  
**A** **A** **E**  
 To a fool like you

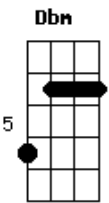

**B** **B7** **E**  
 Come and waste it, to the very end  
**A** **A** **E**  
 End of me and you

**B**  
 I?m losing  
**B7** **E**  
 I?m losing it  
**A** **A** **E**  
 To a fool like you  
**B** **Gbm**  
 La ra ra ta ra  
**Dbm** **D** **A**  
 La ra ra ra ra
