

# Vinte1vinte2 - De Tanto Andar

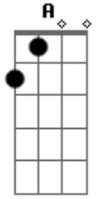

tom:

Mesmo erguer um altar  
 No topo do monte mais sagrado  
 De nada ia adiantar  
 Se eu continuasse te deixando de lado

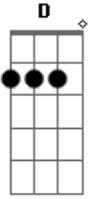

Nenhuma façanha tem

O poder de unir  
 Céu e terra num corpo só  
 Fiz o que achei que devia  
 Mas eu sabia que um dia  
 De tanto andar no seu encalço  
 Eu ia terminar descalço
