

Viola Beach - Call You Up

tom:

Intro: **A** **Dbm** **Gbm** **Abm**

[Primeira Parte]

A **Dbm**
I try to hide that I need you like I need the sky to light up the night so I can

Gbm **Abm**
see where I?m going when I?m walking to you

A
But I made the mistake of giving away that I

Dbm **Abm** **Gbm**
would have called at the end of the day and talk about plans wasting away with you

A **Dbm**
And that you seem to be the air that I breathe and the last thing I think of as I fall asleep

Gbm **Abm**
But recently I?ve started to feel like I?ll be

A **Dbm**
slippin? away at the end of the day into dreams of the two of us running away

Gbm **Abm**
it?s okay, I?d just say I was drunk yesterday and just hope that you still wanna stay

[Refrão]

A **Dbm**
And I?ll call you up in the middle of the night in hopes that you wanna hear from me

Gbm
I just wanna know if you?re feeling alright

Abm **A**
I just wanna know if you got in a fight with your friends

Dbm
And I know we?ll have to pretend that we?re fine for a night

Gbm **Abm**
But then again I know you know we?ll be alright in the end

[Ponte] **A** **Dbm** **Gbm** **Abm**

[Verse 2]

A **Dbm**
Yeah, I try to hide that I need you like I need to sleep for once in my life

Gbm **Abm**
Oh, I?ve tried and I?ve tried but you keep occupying my mind

A **Dbm**
And I would say that you light a light in the room cause I need you to do all the things that I do

Gbm
Can you be true?

Abm
You?re making me lose my head

[Chorus]

A **Dbm**
And I?ll call you up in the middle of the night in hopes that you wanna hear from me

Gbm
I just wanna know if you?re feeling alright

Abm **A**
I just wanna know if you got in a fight with your friends

Dbm
And I know we?ll have to pretend that we?re fine for a night

Gbm **Abm**
But then again I know you know we?ll be alright in the end
