                                                                                                                                                                                                                                             С
                                                                                                                                                                                                                                                                                                             G
                                                                                                                                                                                                                                                                                                                                                     В
 Why are you always trying so hard to prove them who you are?
```
