

# Vital Lima - Interior

tom:

Intro: Am Em Dm G Am

E bem depois que a chuva caiu  
 Ainda o cheiro de terra encharcada  
 Tua solidão e tua boca molhada

O coração, de novo, armando outra emboscada  
 E o nosso interior comendo estrada

Beber do poço pela primeira vez  
 Cochicha-me tua boca a frase guardada

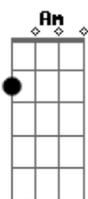

Vaca que emprenha a sua primeira vês  
 Medo de dizer o que não sabe a manada  
 E o nosso interior bebendo estrada

Um lampião nos levará pra casa  
 Sua luz lumiará teu coração também  
 E quando for a hora de eu ir embora

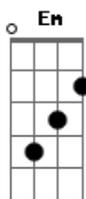

Não chora, espera  
 Que sempre chega um outro bem

Não chora, espera  
 Que sempre chega um outro bem
