It's getting late

I'm making my way over to my favorite place

I gotta get my body moving shake the stress away

**C**

I wasn't looking for nobody when you looked my way

Possible candidate ohw

**F**

Who knew  
That you'd be up in here looking like you do

You're making staying over here impossible

Baby, I must say your aura is incredible

If you don't have to go, don't

**F**

Do you know what you started

I just came here to party

But now we're rocking on the dance floor

Acting naughty

Your hands around my waist

Just let the music play

We're hand in hand  
Chest to chest

And now we're face to face

I wanna take you away

Let's escape into the music

DJ let it play

I just can't refuse it

Like the way you do this

Keep on rocking to it

Please don't stop the  
Please don't stop the music

Please don't stop the music

Baby, are you ready? Cause it's getting close

Don't you feel the passion ready to explode

**C**

What goes on between us no one has to know

This is a private show

Do you know what you started

I just came here to party

But now we're rocking on the dance floor

Acting naughty

Your hands around my waist

Just let the music play

We're hand in hand  
Chest to chest

And now we're face to face

I wanna take you away

Let's escape into the music
