

Vitorino - Andando Pela Vida

tom:

Intro: Dm Bb Gm A7

Passeio-me pela vida

Sem lamento

Malmequerem, bem querendo

Ai madrugada, não me faltes

Ao encontro no tempo

Das margaridas

Desencontros, despedidas

Tanta Primavera triste...

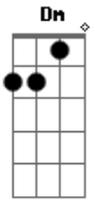

Na boca um gosto

D'Amor deixado
 À rosa dos Ventos
 No céu estrelado

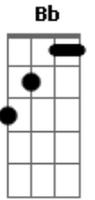

Coração não me abandones
 Na rua de andar sozinha
 Deixa-me a força que tinha
 Do esplendor da Estrela d'Alva

Cigarro não fumado
 Copo no chão,
 Vida dá-me a tua mão
 Faz florir sempre o mês de Maio!
