

VOLA - Bleed Out

tom:
Dbm (forma dos acordes no tom de **Bm**)
 Capotraste na 2ª casa

Em
 We were born one day apart

I grew teeth, you grew a heart

We became a work of art, surely **Em Em**

You connected, I withdrew

You compiled the stones I threw

I'm a poison pushing through, purely **Em Em**

E And all these casualties I can't explain **E**

E And all these sunken ships still move inside my vein **E E**

E And all these bended trees that still remain **E**

E With all my mental ease they dance inside my brain **E E**

Am What does it matter now, boy? **Em**

F Our minds refuse to meet

C We walk and then we bleed out **G Am**

Em How do we turn around, boy?

F We speak in future tense

G Into violence

Em
 We were born one day apart

You got brushed and I got scarred

A peculiar drawing card, surely **Em Em**

G I appalled while you amused

F I avenged when you refused

Em I'm a poison pushing through, purely **Em Em**

E And all these casualties I can't explain **E**

E And all these sunken ships still move inside my vein **E E**

Am And all these vultures in the window pane **C**

E **E E**

With all my mental ease they dance inside my brain

Am What does it matter now, boy? **Em**

F Our minds refuse to meet

C We walk and then we bleed out **G Am**

Em How do we turn around, boy?

F We speak in future tense

G Into violence

Em I am covered in blood **Em Em**

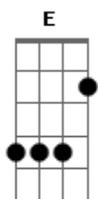

Em **F** **C Am G** **Am**

We walk and then we bleed out

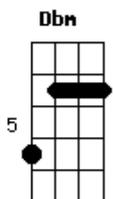

Em **F** **C Am G** **Em Em**

We walk and then we bleed out
