

# Volbeat - Thanks

Tom: C

C  
We thank you people for being around

F  
Supporting Volbeat with love and hell fire

G  
Gu'fanden do we care

C  
You're all our brothers, sisters and our babies

( C F G C )

C F G C  
Going out on the street again with open arms and fists

F  
Sweating out all the whiskey tommermaend

G C  
And the pain that comes with it

F  
But we know who we are and more

G C  
Protectors of this band - oh oh oh oh

F  
And we know we're not alone anymore

G C  
We got supporters in this rock'n'roll band

C D F  
This song's for all the ones who's singing out loud

C  
Yeah! We make a lot of noise

C D C  
Refuse to sit down and be tamed

C F  
We still think that we owe you some

G C  
So we're making a lot of noise

G C  
We sing it out loud we sing it out proud

( C F G F C )

C F  
Sacrificing all the things that we had

G C

Just to do this thing

C F  
Not even money for some glue

G C  
So we hang all the posters up with jam

F  
But we know who we are and more

G C  
Protectors of this band - oh oh oh oh

C  
So when you sing this song out loud

F  
Remember it's for you, for helvede we are proud

G

C  
Let's all have a beer you're all our brothers, sisters and our babies
