

# Volbeat - Wait a Minute My Girl

tom:

[Refrão]

Wait a minute my girl

Wait a minute my lover

Summer's up and I want you to know

That I won't live a minute without ya

[Primeira Parte]

I've been waiting for a while

I always had you on my mind

Now you're here in flesh and bones

My heart beats so

And it's scaring me to death

But I can't

[Refrão]

Wait a minute my girl

Wait a minute my lover

Summer's up and I want you to know

That I won't live a minute without ya

( Dbm B E A )

( B E A B )

[Refrão]

Wait a minute my girl

Wait a minute my lover

Summer's up and I want you to know

That I won't live a minute without ya

[Ponte]

There's a light and it's right there

In front of me

And a voice that whispers family

Don't ignore the signs and

The symbols that are here

You might find the reason

Why you're here

[Primeira Parte]

I've been waiting for a while

I always had you on my mind

Now you're here in flesh and bones

My heart beats so

And it's scaring me to death

[Refrão]

Wait a minute my girl

Wait a minute my lover

Summer's up and I want you to know

That I won't live a minute without ya

[Final]

Try to say the right thing

My heart is beating like thunder

So wait a minute my Wait

A minute my Wait

So wait a minute my Wait

A minute my Wait

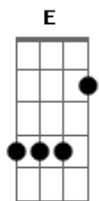

So wait a minute my Wait

A minute my Wait

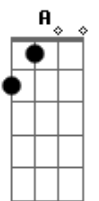

A minute my Wait

A minute my girl
