

# Voltado Para o Trono - Águas Que Curam

Tom: G

Intro: G % C Em D C

Águas que curam, que saram

Venham sobre mim

Águas que limpam, que restauram

Venham sobre mim

E vai aonde o homem não pode chegar

Vai aonde a medicina não cura

E leve embora toda enfermidade

E traga de volta a vida

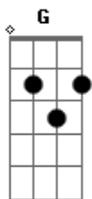

Vou beber destas águas

E receber sobre a minha vida a cura

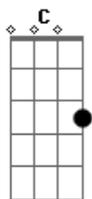

Vem me curar com Tuas águas

Águas que saram, que limpam e restauram
