

## **VOUS Worship - Who On Earth Compares**

```
Jesus my redeemer
                           tom:
                                [Intro] Dm Bbadd9 F C
                                                             Bhadd9
                                                                 Who on earth compares to You?
[Primeira Parte]
                                                             [Segunda Parte]
                   Bbadd9
You don?t shift like shadows
                                                                            Bbadd9
                                                             You are pure and righteous
You don?t sink like sand
                                                             You are true and just
You don?t drift like water
                                                             Dm
                                                                            Bbadd9
                                                             You are more than able
In your steadfast love I stand
                                                             How perfect is your love
                   Bbadd9
You don?t change like culture
                                                                          Bbadd9
                                                             You will go before me
You don?t weaken with time
              Bbadd9
                                                             You will stand behind
You don?t bow to idols
                                                                            Bbadd9
                                                             Surround me with your glory
Your kingdom reigns on high
                                                             So faithful all my life
