Tom: F  
Intro: Am F G G G Am F G G G C G Am F

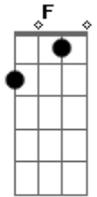

Muitos homens morreram por uma causa mas não  
puderam salvar minh'alma muitos homens verteram  
sangue mas tudo terminou logo num instante  
Mas com Jesus é diferente seu sangue continua

quente quente para salvar e amar e amar e perdoar

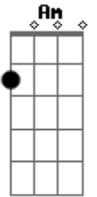

SOLINHO: C G Am F

Agora sou feliz pois encontrei o meu Senhor  
Que fez o céu a terra e todo este esplendor  
Agora sou feliz pois tenho em quem me apegar  
O sangue de Jesus está quente pra salvar
