

# Vulgo Fred - At Your Fingers

tom:  
Intro: G

She was perfectly made for you  
Look to your feelings  
And you'll realize (realize)  
She's the only one  
That can make you cry

You love her eyes  
Her big brown eyes  
You love her smile (love her smile)  
Her beautiful smile  
And she's in your heart

So don't let her go  
Don't let her fly away  
Don't let her pass by  
Like the clouds at the sky  
Saying ?she could be mine?  
So don't let her go  
Don't let her fly away  
Don't let her pass by  
Like the clouds at the sky  
Saying ?she could be mine?

She was perfectly made for you  
Look to your feelings  
And you'll realize (realize)  
She's the only one  
That can make you cry

Take now your time

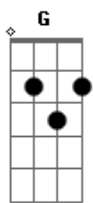

There's only one chance  
She's at your fingers (she's in your hands)  
There's no other way  
To make her stay

So don't let her go  
Don't let her fly away  
Don't let her pass by  
Like the clouds at the sky  
Saying ?she could be mine?  
So don't let her go  
Don't let her fly away  
Don't let her pass by  
Like the clouds at the sky  
Saying ?she could be mine?

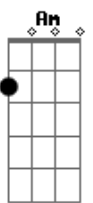

She's at your fingers  
She's in your hands  
Say that you'll be by her side  
In all the stormy nights  
It's time to make things right

So don't let her go  
Don't let her fly away  
Don't let her pass by  
Like the clouds at the sky  
Saying ?she could be mine?  
So don't let her go  
Don't let her fly away  
Don't let her pass by  
Like the clouds at the sky  
Saying ?she could be mine?
