

Vundabar - Life is a Movie

tom:
Intro: A Gbm A B7

[Verso]

B7
Hello is anybody out there

B7
Hello is anybody out there

B7
The sea ceases to be blue when the light starts

B7
Only see the color when the light cuts

E A E
The wave machine doesn't power off, no director yells

E
My life is like a movie except that it's not

E
There is no story, just an endless rolling ocean

E A E
Breeze from every direction, a man sent from

E A E
Nobody seems to know what's going on

E
We all just find our way to play it off

E B7
Here comes the punchline, here comes the grace

E
Here comes the part where we go off our face

B7
Here comes the lesson, here comes the light

B7
Here comes the beacon in the night

[Refrão]

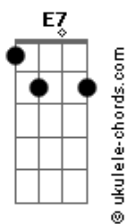

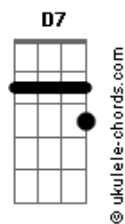

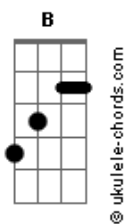

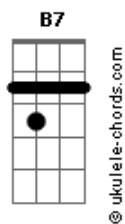

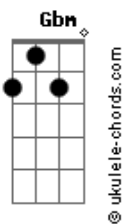

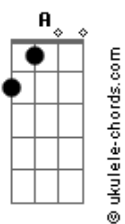

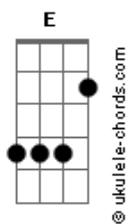

A B D7 E
What were you doing in my song last night

A B Gbm E
When you turned a lie into a half rhyme

E A
What were you doing, heartbreak in halftime

A B

Acordes

It was never yours, it was never mine

Gbm E7 E
We sing the song from a station that is lost

B7
Hello is anybody out there

[Instrumental] E A E A Gbm

[Verso]

Gbm B7 A
And the days burn bright like they're supposed to

Gbm B7 A
And the phrase turns tight like it's supposed to

Gbm B7 A
And the words in the tune match like a gray suit

Gbm B7 A
And the song bled out into the bedroom

A
Here comes the passion, here comes the fight

A B7 E
Here comes the tension, here comes the hope

A
All on a Mayday parade float

[Refrão]

A B
What were you doing in my song last night

A B Gbm E
When you turned a lie into a half rhyme

E A
What were you doing, heartbreak in halftime

A B
It was never yours, it was never mine

B7 B E
Did we lose the song or is the signal that

E7 E B7
Long gone

[Final]

B E B
Hello is anybody out there
