

## Wagner Surian - Maybe

```
Tom: E
Intro: Em A Bm G
My body, My hand
My heaven, My land
My guardian angel is mine
And you say
My dreams, My head
My sex, My bed
And it's my Corona with lime
And then I say
Maybe we could divide it in two
Maybe my animals live in Your Zoo
And You say
My head, My frown
My kingdom, My crown
My palace and court is mine
And You say
My lights, My show
My years to grow
The time that I spend is fine
And then I say
Maybe we could divide it in two
Maybe my animals live in Your Zoo
And then I say
Maybe
   Gbm
```

Bm Bm G7 D

```
Maybe I'm in love with You
But You say
My coat, My hat
My bones, My fat
My zipper is shut by me
And You say
My Skin, My blood
My devil, My God
My freedom is what You see
But then I say
Maybe we could divide it in two
Maybe my animals live in Your Zoo
Then I say
Em
Maybe
                            Bm G7 D
Maybe I'm in love with You
But then I say
Maybe we could divide it in two
Maybe my animals live in Your Zoo
Then I say

Maybe I'm in love with You
My begining, My end
My nuclear bomb to pretend
My begining, My end
My nuclear BOMB
