

# Waldeci Farias - Sou Bom Pastor

Tom: D

Sou bom pastor  
 ovelhas guardarei  
 Não tenho outro ofício nem terei  
 Quanta vida eu tiver eu lhes darei  
 Maus pastores, num dia de sombra

Não cuidaram e o rebanho se perdeu  
 Vou sair pelo campo reunir o que é meu  
 Conduzir e salvar  
 Verdes prados e belas montanhas  
 hao de ver o pastor, rebanho atras  
 junto a mim, as ovelhas terao muita paz,  
 poderao descansar.
