

Walk off the Earth - Back To You

Tom: Eb

m (forma dos acordes no tom de Bm)
Capostrate na 4ª casa

[Intro e Riff]

Bm **G**
Took you like a shot

D
Thought that I could chase you with a cold evening

Bm **G** **D**
Let a couple years water down how I'm feeling about you

(Feeling about you)

Bm **G**
And every time we talk

D
Every single word builds up to this moment

Bm **G**
And I gotta convince myself I don't want it

D
Even though I do (even though I do)

[Refrão]

Bm **G** **D**
You could break my heart in two

But when it heals, it beats for you

Bm **G** **D**
I know it's forward, but it's true

Bm **G** **D**
I wanna hold you when I'm not supposed to

Bm **G** **D**
When I'm lying close to someone else

Bm **G** **D**
You're stuck in my head and I can't get you out of it

Bm **G**
If I could do it all again

D
I know I'd go back to you

Bm **G** **D** **Bm** **G**
Huuuum huum huum huum huum huum huum huum huum ha

D
I know I'd go back to you

Bm **G** **D** **Bm** **G**
Huuuum huum huum huum huum huum huum huum huum ha

D
I know I'd go back to you

Bm **G**
We never got it right

D
Playing and replaying old conversations

Bm **G**
Overthinking every word and I hate it

D
'Cause it's not me ('cause it's not me)

Bm **G**
And what's the point in hiding?

D
Everybody knows we got unfinished business

Bm
And I'll regret it if I didn't say

G **D**
This isn't what it could be (isn't what it could be)

[Refrão]

Bm **G** **D**
You could break my heart in two

But when it heals, it beats for you

Bm **G** **D**
When I'm lying close to someone else

Bm **G** **D**
You know, my thoughts are running loose

It's just a thing you make me do

Bm **G** **D**
And I could fight, but what's the use?

I know I'd go back to you

And I wanna hold you when I'm not supposed to

When I'm lying close to someone else

Bm **G** **D**
You're stuck in my head and I can't get you out of it

Bm **G** **D**
If I could do it all again
