

# Walk off the Earth - Catching Feelings

tom:  
 G  
 Oh  
 C  
 Now I'm catching feelings  
 C G  
 Don't know what to say or do  
 C G D  
 And I say  
 C  
 Up at night  
 Em  
 Wonderin why  
 D  
 Do I try so hard?  
 I hate this part  
 C Em D  
 In my mind run a million miles and I  
 Just can't seem to stop  
 C Em D  
 Told myself I'd be playing it cool, keeping one foot in  
 One foot out the door  
 C Em  
 Every day, every moment apart  
 D  
 Only makes me want you more  
 C  
 So let's keep it light  
 G  
 The timing ain't right  
 D  
 You still call your ex  
 For casual sex  
 C G D  
 I know you know that I'd do the same thing too  
 And we said  
 C  
 Let's keep it light  
 G  
 When we spend the night  
 D  
 And see how it goes  
 If nobody knows  
 C G D  
 Then down the road we got nothing real to lose  
 And I say  
 Em G  
 Oh  
 Now I'm catching feelings  
 C G D  
 Don't know what to say or do  
 Em G  
 And I say, oh  
 C G  
 I stare at the ceiling  
 C G D  
 Are you catching feelings too?  
 C  
 These feelings got me falling  
 G  
 Got me falling  
 D  
 Into you  
 These feelings  
 C  
 Got me falling  
 G  
 Got me falling  
 D  
 Into you  
 If I said  
 C  
 Let's make it last  
 G  
 We don't need the past  
 D  
 To see how it feels  
 To do this for real  
 C G D  
 And one day become the one growing old with you  
 Then you said  
 Em G  
 Oh  
 Now I'm catching feelings  
 C G D  
 Don't know what to say or do  
 Em G  
 And I say, oh  
 C G  
 I stare at the ceiling

Got me falling  
 G  
 Got me falling  
 D  
 Into you  
 D  
 These feelings got me  
 C Em D  
 Waking up nothing from you yeah we had no plans, I can't stand  
 the place  
 C Em D  
 That my mind already goes to  
 C  
 What am I gonna do  
 With myself  
 Em  
 If I'm findin out  
 D  
 You're falling in love with somebody else  
 C  
 Lied to myself  
 Em D  
 And tried to get over you  
 And I say  
 Em G  
 Oh  
 Now I'm catching feelings  
 C G D  
 Don't know what to say or do  
 Em G  
 And I say, oh  
 C G  
 I stare at the ceiling  
 C G D  
 Are you catching feelings too?  
 C  
 These feelings got me falling  
 G  
 Got me falling  
 D  
 Into you  
 These feelings  
 C  
 Got me falling  
 G  
 Got me falling  
 D  
 Into you  
 If I said  
 C  
 Let's make it last  
 G  
 We don't need the past  
 D  
 To see how it feels  
 To do this for real  
 C G D  
 And one day become the one growing old with you  
 Then you said  
 Em G  
 Oh  
 Now I'm catching feelings  
 C G D  
 Don't know what to say or do  
 Em G  
 And I say, oh  
 C G  
 I stare at the ceiling

C  
 Are you catching feelings too?  
G D  
 These feelings got me falling  
C  
G  
 Got me falling  
D  
 Into you  
D  
 These feelings

C  
 Got me falling  
G  
 Got me falling  
D  
 Into you  
D  
 These feelings  
Em G  
 Got me, oh
