

Walk off the Earth - Tomorrow Can Wait (feat. Tenille Townes)

tom:
Intro: C

C Am
I've been away eleven days, eleven days on

C C
I lie awake, can't find a way to turn it all off

G C F
When does it stop, I'm here but I'm gone

C
I'm here but I'm gone

C Am
And do I need to medicate or am I just lost?

G
Looking for a motorcade to get to my stop

C F
When does it stop, I'm here but I'm gone

Am
I'm here but I'm gone

G C F Am
You try to make it on your own

G C F C
But these long roads will take a toll

C Am
Then the sound of your voice

G
Overpowers the noise when you say

F
Tomorrow can wait

C
'Cause we still got today

Am
On a 2AM call

G
Don't have to make sense of it all when you say

F
Tomorrow can wait

C
'Cause we still got today

C Am
Overanalyze, verify, takes a while just to feel fine

G
In my eyes, multiplying, slowing down time

F
Just to be fine, I wanna be fine

Am
I wanna be fine

G C F Am
You try to make it on your own

G C F C
But these long roads will take a toll

C Am
Then the sound of your voice

G
Overpowers the noise when you say

F
Tomorrow can wait

C
'Cause we still got today

Am
On a 2AM call

G
Don't have to make sense of it all when you say

F
Tomorrow can wait

C
'Cause we still got today

C Am
Then the sound of your voice

G
Overpowers the noise when you say

F
Tomorrow can wait

C
'Cause we still got today

Am
On a 2AM call

G
Don't have to make sense of it all when you say

F
Tomorrow can wait

C
'Cause we still got today
