

Walker Montgomery - Almost, so Close, so Long, Goodbye

tom:
A (forma dos acordes no tom de G)
Capostrate na 2ª casa

Almost, so close, so long, goodbye

If I leave right now

I'd still make Saturday night

We could drag it out

Hang around

Talk about doing it different

Yeah, sling some dirt

Have some words, make it hurt

But what if we didn't?

?Cause that neon light's still on

And I sure love that honky tonk

Well, if this is it, it's okay

It ain't my first heartbreak

So what you said, we just say

[Refrão]

Almost, so close, so long, goodbye

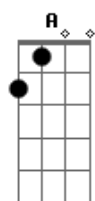

If I leave right now

I'd still make Saturday night

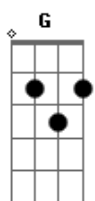

(Oh, make it country, boy)

(G7 C7 G7 D7 G7)

[Ponte]

Well, the writing's all on the walls

Make a call, call it a day

Just easy come, easy go

Like old Dylan and Stray

?Cause that neon light's still on

But it won't be for too long

Well, we were good, we were great

It was fun, but now it ain't

So what you said, we just say

[Refrão]

Almost, so close, so long, goodbye

If I leave right now

I'd still make Saturday night

Oh yeah

(G7 D7 C7 G7
D7 A7 D7)

[Refrão]

Almost, so close, so long, goodbye

If I leave right now

I'd still make Saturday night

That's right

What?

Time to go!
