

## Wallows - Bad Dream

```
Am D7 G7M Em7
Tossin' and turnin' in our sheets lately
                tom:
Intro: Am D7 G7M Em7
                                                               Am B7
Am B7
                                                                Are you having a bad dream, baby?
                                                                Am
                                                                                B7
                  G maj7
                                                                I wanna wake you and you won't let me
Every night when you talk in your sleep
                                                                                     Bm7
Am D7 G7M
                                                                            D
                                                                                                Fm7
I try to stop you from grinding your teeth
                                                                These nights are cold, you're not alone
Am D7 G7M Em7
                                                                C D Bm7 Em7
Are you running away from something?
                                                                I lie awake and feel you shake
                     G7M Em7
Am D7
                                                                     D Bm7 Em7
Are you worried you're feeling nothing?
                                                                I hold you close, but you never know
    D7
                G7M
Here we go again, tell me what's been left unsaid
Am D7 G7M Em7
                                                                Is it just your dream or reality?
I'm not in your head, can you help me understand?
                                                                      D7
                                                                                G7M
                                                                Are you having a bad dream, baby?
             G7M
                                                                     D7
                                                                                G7M
Are you having a bad dream, baby?
Am D7 G7M
                                                                A reflection of your thoughts lately
                                                                Am D7 G7M Em7
Tossin' and turnin' in our sheets lately
                                                               Are you having a bad dream, baby?
Am B7
                                                                                       B7
Are you having a bad dream, baby?
                                                                I wanna wake you and you won't let me (Here we go again)

                                                                Are you having a bad dream, baby? (Here we go again)
                                                               Am D7 G7M Em7
                                                                Are you having a bad dream, baby?
                    G7M
                                                                                      B7
Does it linger when days are still young?
                                                                I wanna wake you, but you won't let me (Here we go again)
Am D7 G7M Em7
Daydreaming and biting your tongue
                                                                Am D7 G7M Em7
Am D7 G7M Em7
         D7 G7M
On the other hand, maybe I misunderstand
                                                                Here we go again
Am D7
                  G7M
Here I go again, am I projecting all your plans?
                                                                Am D7 G7M Em7
