

Wallows - Bad Dream

tom:
Intro: Am D7 G Em
Am B7

Am D7 G maj7 Em
Every night when you talk in your sleep
Am D7 G Em
I try to stop you from grinding your teeth
Am D7 G Em
Are you running away from something?
Am D7 G Em
Are you worried you're feeling nothing?
Am D7 G Em
Here we go again, tell me what's been left unsaid
Am D7 G Em
I'm not in your head, can you help me understand?

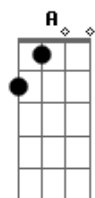

Am D7 G Em
Are you having a bad dream, baby?
Am D7 G Em
Tossin' and turnin' in our sheets lately
Am B7
Are you having a bad dream, baby?
Am B7
I wanna wake you, but you won't let me

[Post-Chorus]
Am D7 G Em
Am B7

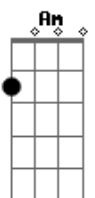

Am D7 G Em
Does it linger when days are still young?
Am D7 G Em
Daydreaming and biting your tongue
Am D7 G Em
On the other hand, maybe I misunderstand
Am D7 G Em
Here I go again, am I projecting all your plans?

Am D7 G Em
