

Wallows - Guitar Romantic Search Adventure

tom:
 Speaking virtually and constantly waiting
 Is there something you're really saying?
 Will I ever get to know?
 Dreaming
 Wait until the dawn to respond next
 Look away, but I can't help to check if your character rate grows
 Trying
 Acting like we don't already know
 That new pocket music box can show we've already fired the gun
 Listening to I'm a Pretender on repeat
 Wonder if you knew that it'd all seem
 To take the words right off my tongue
 My life's going by but it's just begun

 Sharing all the things we loved when we grew up
 Memorizing things that you knew of
 You can make all mine your own
 Making plans for both of us to go on
 A Guitar Romantic search adventure
 Will we ever get to go?
