F7 C7 F7 C7  
But honey I just wanna let the sun in  
F7 C7 F7 C7  
Let the day just come and go

Dm G C Am  
And I just want to find  
Dm G C Am  
Oh, I just want to find  
Dm G C Am  
All the secrets that you're keeping inside  
Dm G  
Oh, I do, I do

F7 C7 F7 C7  
Help me darling now I'm feeling so lost

And help me darling now I'm feeling shy  
F7 C7 F7 C7  
With you I see the world completely different  
F7 C7 F7 C7  
With you I need no place to hide

F7 C7 F7 C7  
And some would like it best if they're headed for your chest  
F7 C7 F7 C7  
But I just wanna talk again tonight

F7 C7 F7 C7  
And some would be okay, just washing you away  
F7 C7 F7 C7  
But I don't wanna do that anymore  
'Cause it's real
