

Wallows - Let The Sun In

tom:

Intro: Dm G C Am
Dm G C Am

F7 C7 F7 C7
Help me darling now I'm feeling lonely
F7 C7 F7 C7
Help me darling now I feel afraid
F7 C7 F7 C7
Ah, help me darling now I'm feeling older
F7 C7 F7 C7
And I know the time, it doesn't wait

F7 C7 F7 C7
Help me darling now I'm feeling tired
F7 C7 F7 C7
Help me darling now I'm feeling low
F7 C7 F7 C7
But honey I just wanna let the sun in
F7 C7 F7 C7
Let the day just come and go

Dm G C Am
And I just want to find
Dm G C Am
Oh, I just want to find
Dm G C Am
All the secrets that you're keeping inside
Dm G
Oh, I do, I do

F7 C7 F7 C7
Help me darling now I'm feeling so lost
F7 C7 F7 C7
And help me darling now I'm feeling shy
F7 C7 F7 C7
With you I see the world completely different
F7 C7 F7 C7
With you I need no place to hide

F7 C7 F7 C7
And some would like it best if they're headed for your chest
F7 C7 F7 C7
But I just wanna talk again tonight

F7 C7 F7 C7
And some would be okay, just washing you away
F7 C7 F7 C7
But I don't wanna do that anymore
'Cause it's real
