B

E7M I'm anxious, pacin'
Thoughts are racin'
B Is this over?
Why won't you call my number?
E7M You said "I'll be alright"
I knew by the look in your eyes
B But anytime you want you know I'll be the one
Do you feel the same or was it just for fun?
E7M 'Cause summer's gone
I'm alone wishin', for your call, startin' to freak
B I'm not sure if he's comin' over for the night
Quarterback's fine
Dbm Summer's gone
Gb I'm alone wishin', for your call, startin' to freak
B I'm not sure if he's comin' over for the night
E7M
