

# Wampire - Trains

tom:  
[Intro] G Em

G Em  
Waiting for your train, girl  
It's driving me insane, girl  
Big drops of pain, girl  
I was fallin' in the rain, girl

C  
But if ever this train rolls out  
Know my heart would shout  
So, please, don't leave me waitin' in the rain  
Just waitin' for your train  
( G Em )

G  
Keep it runnin' on down the line  
Em It brings me home on time  
Em I hear the engine roar  
Em And I'm not waitin' anymore  
Em Soon I'll be knockin' on your door  
Em But have no clue what lies in store

C  
But it's a different face  
D7  
He has taken my place  
C  
It's another man  
D7  
Clutching your soft hand  
C  
By a stroke of luck  
D7  
Life got so damn fucked  
C D7  
But I guess I'll keep waitin' in the rain

G  
You're driving me insane  
Em I was waitin' for your trains  
Em It's not an easy thing  
Em Always waitin' your train

Em G  
You're drivin' me insane  
Em I was waitin' for your train  
Em You gotta be insane  
Em Keepin' me waitin' for your train  
Em I'm always waitin' for your train
