Já me disseram que você anda pintando o sete
Anda chupando muita uva, até de caminhão
Agora anda dizendo que está de apêndice
Vai entrar no canivete, vai fazer operação
Mas o que tem a Florisbela nas cadeiras dela
Andou dizendo que ganhou a flauta de bambu

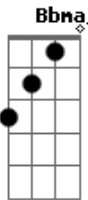

Abandonou a batucada lá na Praça Onze
E foi dançar o pirulito lá no Grajaú
Caiu o pano da cuica em boas condições
Apareceu Branca de Neve e os Sete Anões
E na pensão da Dona Estela foram farrear
Quebra, quebra gabirola, quero ver quebrar

Já me disseram que você
Você no baile dos quarenta deu o que falar
Cantando o seu Caramuru, bota o Pajé pra brincar
Tira, não tira o Pajé, deixa o pajé farrear
Eu não te dou a chupeta, não adianta chorar
