Tom: C

Intro: Am E

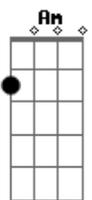

Am E
 Nos fizemos tão meninos livres tão vadios de tanto querer
 Gm A7 Dm
 Nós fizemos poesia pra chorar do riso pra sorrir da dor
 Bm7
 Me entregastes teus segredos
 Am
 Eu falei do medo do meu coração
 E
 Assim pisamos noite a dentro
 Am E
 Como dois perdidos cheios de emoção
 Am
 Nas almofadas tão macias
 E

Nos aconchegamos sufocando a paz
 Gm A7 Dm
 Tudo então se fez ternura que nas nossas juras prometemos ser
 Bm7 Am
 Até que a morte nos separe ou até o dia amanhecer
 E Am
 Nós faremos nosso mundo nós seremos tudo que devemos ser
 C
 A lua iluminou teu corpo
 G7
 Moreno, bonito, pra me provocar
 Gm A7
 No teu rosto um riso lento
 Dm
 Misturado ao pranto vi desabrochar
 Fm Bm7 Am
 Te agasalhei nos braços, pele, mãos, espaços, acariciei
 E Am
 Te amei suavemente e tão docemente eu me fiz teu rei
