

Warren Barfield - Drop The World

```
Intro: G D C
   D
She's in so much pain
I wish I could take it all away
G D C
She deserves a break, she is good G C
She's been through more than any one person should C D Em God, please hold her tonight
Take away the loneliness that she is left with f C \qquad \  \  \, {\bf D}
She is left with no other hope but you
They say that You hold the world in Your hands \ensuremath{\mathsf{Am}}
Please hear my prayer tonight
Drop the world D G D C
And hold her
She thinks her life is over
 G D
She's convinced this is the end
G D
But You can show her a better love than she's ever known
G D C
You can make her love again
C D Em
God, please hold her tonight
```

```
Take away the loneliness that she is left with
She is left with no other hope but you
They say that You hold the world in Your hands

Am

G

Please hear my prayer tonight

C
Drop the world
 D Em C Em C
And hold her
D D
I wish I could turn back time
D D Am
Or even make it fly
To any time but now
'Cause now she hurts so bad
So take away the loneliness that she is left with
She is left with no other hope but you
C G
They say that You hold the world in Your hands
Please hear my prayer tonight
Drop the world
 D
And comfort her
Drop the world

D G D C

And hold her
```
