

W.A.S.P. - Breath

tom:

G

You don't have to hear my heart beat

All you need is to look into my eyes

And tell me I'm the one you heart needs

I'n the only one you run to in the night

Oh let me burn the words forever mine

Across your heart, across your mind

Take your hands and feel my heart beat

come and let me feel it in your eyes

All you have to do is touch me

Oh and lay your flame across my fire

Oh let me spread your wings and come inside

And take your heart and make you mine

Come and lay down your heart on me

All that I wanna feel is

Breathe in me

Lay down your heart on me

Feel you inside of me

Breathe on me
