

# W.A.S.P. - Wild Child

Tom: E

I ride, I ride the winds that bring the rain  
 A creature of love and I can't be tamed  
 I want you, cause I'm gonna take your love from him  
 And I'll touch your face and hot burning skin

No, he'll never ever touch you like I do  
 So look in my eyes and burn alive the truth

[ Tab from: <http://www.guitaretab.com/w/wasp/361129.html> ]

I'm a wild child, come and love me  
 I want you  
 My heart's in exile I need you to touch me  
 Cause I want what you do  
 I want you

I want you

Tell me, tell me the lies you're telling him when you  
 Run away cause I wanna know  
 Cause I, I'm sure it's killing him to find  
 That you run to me when he lets you go

Cause I'm burning, burning, burning up with fire  
 So come turn me on and turn the flames up higher

I'm a wild child, come and love me  
 I want you  
 My heart's in exile I need you to touch me  
 Cause I want what you do  
 I want you  
 A naked heat machine, I want your love  
 When the moons arise we'll feel just what it does

I'm a wild child, come and love me  
 I want you  
 My heart's in exile I need you to touch me  
 Cause I want what you do  
 I want you
