

Watchhouse (Mandolin Orange) - Daylight

tom:
Intro: Dm F Bb Dm
F Bb Dm

[Primeira Parte]

Daylight had spoken
So clear and so plain
I'm the keeper of nothing
But an old flame
Consuming the shadows
Caught in the light
Blinded by hunger
And fed to the night
And darling you came to me
Like a dream in this endless blight
(F Bb Dm)

[Segunda Parte]

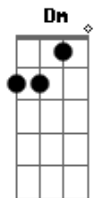

My heart was reaching
So tangled and twined
Like vines in the willows serpentine killer
Dm

Bound by its climb
Glory was calling
She wailed and she whined
Higher and higher
Leave it all behind
And darling you came to me
In the glory I'd longed to find
(F Bb Dm F Bb Dm)

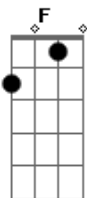

[Terceira Parte]

My search was unending
And my soul was bare
And darling you came to me
Like a midnight flare
Out o'er the ocean
The stars had all gone
My heart was broken
Lost and alone
Darling you came to me
Like a beacon leading me home
