

wave to earth - Seasons

tom:
 I can't be your love
 Look, it's too trivial for you now
 Oh, my life is fallin' apart
 Maybe no one will notice if I disappear
 But I'll pray for you all the time
 If I could be by your side
 I'll give you all my life, my seasons

I can't be your love
 'Cause I'm afraid I'll ruin your life, hmm
 While the leaves withered away

Acordes

And grew again
 You have gone far away
 I'll be pushing up daisies
 And bring all the chances to here
 But I'll pray for you all the time
 If I could be by your side
 I'll give you all my life, my seasons
 By your side, I'll be your seasons, hmm
 [Tab - Solo 2]
 Oh my love
