

We Came As Romans - Memories

Tom: **Bb**

m (com acordes na forma de **Am**)

Capostrate na 1ª casa

Intro: **F G Am**

F So this is where it ends, the road we took together **G** **Am**

F Turn another page, however and forever **G** **Am**

We only got one chance, the seconds are fading **F** **G**

Under the moonlight, we're wishing the same thing **Am**

I wanna remember, remember this moment **F** **G**

Remember this moment, remember this moment **Am**

F To-night, I'm thinking it's time **G**

To burn it all down before the rest of our lives **Am** **C**

And it can't last, so never look back **F** **G**

Give me your heart and I will give you my hand **Am** **C**

Cause nothing's stopping you and me **F** **G**

From making all these memories **Am** **C**

Cause nothing's stopping you and me **F** **G**

From making all these memories **Am** **C**

F Another line begins, I wonder what comes after **G** **Am**

F Knew we'd be the same, or be in different chapters **G** **Am**

We only got one chance before it's all over **F** **G**

Under the moonlight I want you to hold on **Am**

We're gonna remember, remember this moment **F** **G**

Remember this moment, remember this moment **Am**

F To-night, I'm thinking it's time **G**

To burn it all down before the rest of our lives **Am** **C**

F **G**

And it can't last, so never look back

Give me your heart and I will give you my hand **Am** **C**

Cause nothing's stopping you and me **F** **G**

From making all these memories **Am** **C**

Cause nothing's stopping you and me **F** **G**

From making all these memories **Am** **C**

Am **G** **Am** **G**
This is it, we're never getting that back

Am **G** **Am** **G**
I'll admit I'll always become partly hers

F **G**
(One last night to remember)

Am **G** **Am** **G**
This is it, we're never getting that back

Am **G** **Am** **G**
I'll admit I'll always become partly hers

F **G** **Em**
(Let's take this world together, now)

F **G**
To-night, I'm thinking it's time

To burn it all down before the rest of our lives **Am** **C**

And it can't last, so never look back **F** **G**

Give me your heart and I will give you my hand **Am** **C**

Cause nothing's stopping you and me **F** **G**

From making all these memories **Am** **C**

Cause nothing's stopping you and me **F** **G**

From making all these memories **Am** **C**

Cause nothing's stopping you and me **F** **G**

Woah----- Oh Woah----- Oh Woah

(One last night to remember)

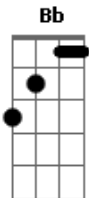

Cause nothing's stopping you and me **F** **G**

Woah----- Oh Woah----- Oh Woah

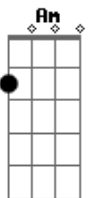

(Let's take this world together)

(**F G Am**)
