

We the Lion - I Want You To Know

Tom: Bb

(forma dos acordes no tom de G)
Capostrate na 3ª casa

First time we meet again

So much we've been through

I'm amazed, I'm amazed

Your hair falls right in place

You smile and whisper

How you've been? How you've been?

I know the world goes round, round, round

We fall apart, we fall to the ground

I know the world goes round, round, round

Look at my eyes, together we'll rise

Together we'll rise

I want you to know

There will be a place

Right in my heart

Right in my head

I want you to know

You lay on my chest, once again

Is this a dream or

I'm awake? I'm awake!

The touch of my hand, on your face

The taste of your lips

I'm amazed, I'm amazed!

I know the world goes round, round, round

We fall apart, we fall to the ground

I know the world goes round, round, round

Look at my eyes, together we'll rise

I want you to know

There will be a place

Right in my heart

Right in my head

I want you to know

(I want you to know)

I want you to know

There will be a place

Right in my heart

Right in my head

I want you to know

You're gonna be there
