

# Weathers - I Don't Wanna Know

tom:

[Primeira Parte]

Stay away from me  
Changed my locks  
Throw away your key  
I'm okay, thanks anyway  
Don't need another dose of your misery

[Pré-Refrão]

No use in coming over  
This road is going nowhere  
The lights are flashing danger  
You've turned into a stranger  
Not looking for a re-up  
You know I don't believe ya'  
When you tell me that you're sorry for your crimes

[Refrão]

If you listen closely  
Your heart is dripping gold  
Everything about you  
Is something that you stole  
Now you're feeling lonely  
Well, I told you so  
If you wanna love me  
I don't wanna know  
I don't wanna

[Segunda Parte]

Strung to your vines  
Now I'm free like the ocean tide  
Everyday that you're gone  
You're getting closer to where you belong

[Pré-Refrão]

No use in coming over  
This road is going nowhere  
The lights are flashing danger

You've turned into a stranger  
Not looking for a re-up  
You know I don't believe ya'  
When you tell me that you're sorry for your crimes

[Refrão]

If you listen closely  
Your heart is dripping gold  
Everything about you  
Is something that you stole  
Now you're feeling lonely  
Well, I told you so  
If you wanna love me  
I don't wanna know  
I don't wanna

[Ponte]

I don't wanna  
I don't wanna know  
Oh, no, oh, no, oh, no  
I don't wanna  
I don't wanna know  
Oh, no, oh no, oh noooooooooo

[Refrão]

If you listen closely  
Your heart is dripping gold  
Everything about you  
Is something that you stole  
Now you're feeling lonely  
Well, I told you so  
If you wanna love me  
I don't wanna know  
I don't wanna

[Final]

I don't wanna know  
I don't wanna know  
I don't wanna know  
I don't wanna know

## Acordes
